

?

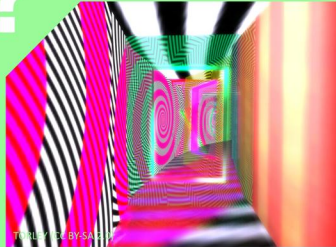

### Suitable Sensors

How would other sensors change the score?

? Content Question

?

### Locations

What role are the locations playing? How important are they?

? Interface Question

+

### Music Worlds

Music worlds are evoked by the score (generated backing tracks, etc.)

+ Design Opportunity

+

### Terminals

Stationary computers are the main interface.

+ Interface Opportunity

+

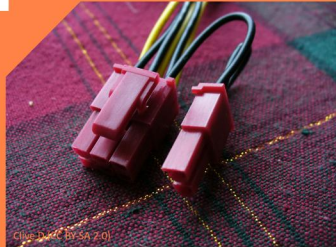

### Iconic Notation

The notation gives clear instructions in a clear language.

+ Language Opportunity

-

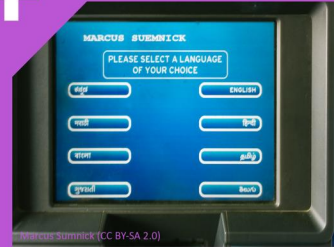

### Unstable Connectivity

How does the music performance continue without a data connection?

- Design Challenge

+

### Notation

Which language best communicates the central idea? (Western? Graphic?)

+ Language Opportunity
